

Dear ladies and gentlemen!

I am honoured to present you the biggest diamond manufacturing and jewellery enterprise in the Republic of Belarus – jewellery integration “Kristall” (Gomel).

For more than 37 years “Gomel PO “Kristall” has successfully achieving high quality production at the international markets. The first diamond was manufactured at our enterprise in 1972. Gomel “Kristall” along with the Smolensk “Kristall” formed the well-known **brand of the “Russian cut” (ideal cut quality)**. For a long period of time our enterprise is a chosen client of JSC “ALROSA” Russia.

R.D.M.U.E. "Gomel PO "Kristall" **can offer for selling diamonds of the small, middle and large sizes (from 0,03 to 3 carat) various cut forms (“princess”, “emerald”, “pear”, “oval”, “trilliant”, “baguette”, “asher” and others).**

According to the requirements of the client **we can carry out retail and wholesale of the certificated diamonds** (certification is held by the most authoritative in Russia «Smolensk Gemological Centre ltd.» on GIA system as well as leading gemological centers of Europe, America and Israel) and **provide services on the goods made on commission according to the requirements of the client.**

Contractual relations with the Russian company “ALROSA” allow “Gomel PO “Kristall” to **offer our clients not only diamonds but also the diamond rough.**

The fact that our enterprise is situated in the “free economic zone” gives the advantage to carry out export-import transactions with polished diamonds and diamond rough in short times and without imposing customs duty.

R.D.M.U.E. "Gomel PO "Kristall" is the largest manufacturer of the jewellery in the Republic of Belarus. One of the branches specializes on manufacturing synthetic diamond powder, diamond pasts and different **diamond tools** including tools for **diamond manufacturing.**

The quality of management and manufacturing corresponds to the requirements of ISO 9001-2001.

R.D.M.U.E. "Gomel PO "Kristall" is the Laureate of the government prize of the Republic of Belarus for the progress in the field of quality.

The enterprise possesses the unique right to manufacture the official government awards (orders and medals) by request of the Administration of the President of the Republic of Belarus.

**We make quality polished diamonds and jewellery
to satisfy expectations of our customers.**

We are opened up to mutual advantageous cooperation with new partners.

Sincerely yours,

General director
R.D.M.U.E. “Gomel PO “Kristall”
